

# IT'S A LONG WAY TO BETHLEHEM

Words and Music by Mark and Helen Johnson

1 It's a long way to Bethlehem,  
It's a dry and dusty road.  
It's a long way to Bethlehem,  
Do we really have to go?

2 It's a long way to Bethlehem,  
It's a lot for little feet.  
It's a long way to Bethlehem,  
We'll be walking for a week!

CHORUS *Better get up, get off, get a move on,  
Better be on our way.  
Hurry it up, come on, get your shoes on,  
We must be gone today!*

3 It's a long way to Bethlehem,  
We'll be bored to bits, I know.  
It's a long way to Bethlehem,  
And we'd rather stay at home!

4 It's a long way to Bethlehem,  
It's a hundred miles at least.  
It's a long way to Bethlehem,  
And you're calling it a treat!

CHORUS

*Repeat verses 1 and 2*

CHORUS

CHORUS *Better get up, get off, get a move on,  
Better be on our way.  
Hurry it up, come on, get your shoes on,  
We must be gone, we must be gone,  
We must be gone today!*
